NOTE: Power mechanisms allow you to smoothly recline to any position with the touch of a button.

NOTE: Power buttons are hidden beneath the curve of the arm to allow for easily accessible operation.

NOTE: A dual USB port is located at the center of each power button.

NOTE: The 604P console features two lighted cup holders, a storage compartment, and a storage drawer. Power buttons are located along the rim of each cup holder.

NOTE: Safety locks prevent the furniture from gliding while reclining.

NOTE: Non-gliding pieces include a zero-wall proximity feature that allows you to recline in any position with the furniture placed only inches from the wall.

NOTE: Removable backs allow for easy lifting and maneuvering through doorways.
