NOTES

- Power mechanisms allow you to smoothly recline to any position and adjust the headrests with the touch of a button.
- Two power buttons allow you to operate the reclining and headrest mechanisms independently. A single USB port is included on each power button control.
- The 64PH console features two cup holders and a storage compartment.
- Safety locks prevent gliding furniture from gliding while reclining.
- Removable backs allow for easy lifting and maneuvering through doorways.
- This leather may display subtle color and texture variances from one piece of furniture to another as well as throughout a single piece of furniture.

Dimensions are in inches and are subject to variance. Options and features are subject to change without notice.
