NOTES

- N7790 styles do not feature nailhead trim; N7791 styles do feature nailhead trim.
- Heavy-thread stitching is standard.
- To recline the 503, push on the arms and lean against the back of the recliner.
- An optional power mechanism allows you to smoothly recline to any position with the touch of a button.

Hidden Power Button Control

The power button control is located discreetly between the seat and arm for convenient operation.
