Available in NuvoLeather with heavy-thread stitching; see N5966-503. Sofa group in NuvoLeather with heavy-thread stitching is available; see N5966 group in the Flexsteel Stationary Catalog.

To Recline

Push on arms and lean against back of the recliner.

Hidden Power Mechanism

The optional power mechanism for this recliner is located discreetly between the seat and arm to allow for convenient operation. This also allows you to place surrounding furniture close to the recliner without interfering with the release.
