Matching fabric sofa group, conversation sofa, and sectional are available; see 5979 groups in the Flexsteel Stationary Catalog.

Available in leather; see 3979-503. Leather sofa group, conversation sofa, and sectional are available; see 3979 groups in the Flexsteel Stationary Catalog.

To Recline

Push on arms and lean against back of the recliner.

Hidden Power Mechanism

The optional power mechanism for this recliner is located discreetly between the seat and arm to allow for convenient operation. This also allows you to place surrounding furniture close to the recliner without interfering with the release.
