AROUND TOWN

Casual comfort in an elegant design.

Take a seat flanked by pillow-padded arms adorned with large nailhead trim detailing. Automotive-inspired bucket seats provide sink-in comfort, and multiple pieces provide endless combinations to fit any room's layout. Around Town's relaxed refinement makes it a spot you'll return to again and again.

The Around Town collection features three individual groups: Crosstown in leathers 048-54 and 048-62; Downtown in fabrics 220-70, 349-70 and 349-72; and New Town in fabric 136-70. All styles and pieces are available in any choice of six upholstery options.

Our products are built on beliefs and values that evolved through over a century of manufacturing. We construct our furniture with care and precision, and we hold ourselves accountable for every detail. We believe the end result makes the extra effort worth the many years it lasts.

The Flexsteel Difference

You'll find our namesake Blue Steel Spring at the core of our upholstered seating. Unlike eight-way hand-tied springs, it never needs retying or replacing to keep you from getting that sinking feeling in your seat.

Our design and construction go hand in hand to create comfortable, long-lasting furniture with durable wood frames and exceptionally soft seat cushions.
