NOTES

- Power mechanisms allow you to smoothly recline to any position and adjust the headrests.
- Two power buttons allow you to operate the reclining and headrest mechanisms independently. A single USB port is included on each power button control.
- Each arm features a hidden pull-out cup holder.
- Safety locks prevent gliding furniture from gliding while reclining.
- Removable backs allow for easy lifting and maneuvering through doorways.
- This leather may display subtle color and texture variances from one piece of furniture to another as well as throughout a single piece of furniture. For more details, refer to the Unique Nature of Leather tag.

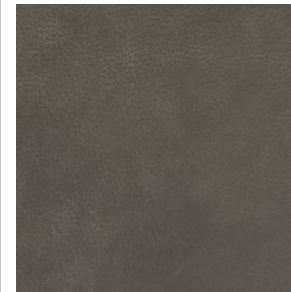

Home Button

A home button is included on power headrest styles. The home button returns the headrest and footrest to their original positions.
